Nancy and all, I have attached the embedded files to this message. I did not include the files you had sent to the OCC. I will be out this afternoon for a Dr. appointment, but will check email after I get home.

Thank you, and have a great day.

Nancy,

I found this in my outbox. I guess it hung up and I did not notice. Sorry for the oversight. Conklin 3 Event has the attachments regarding the Robert Sands well.

Would you please forward to all involved, and copy me so all are on the thread.

Thanks,

Jim

Nancy,

Here are the files I have associated with the CO2 issue.

Thank you, and have a great day.
